To whom it may concern,

This letter is in regards to reference number 92063588. I would like to say I have not lost interest in the case. I've been dealing with an abscess on my foot I went to 3 different emergency rooms 5 times they all misdiagnosed me until it turned into an infection and got worse I just had foot surgery twice within in a 2 day period and I am now in the healing process I cannot be on my foot for a month. I would also like to say called into the United States Patent and Trademark Office May 2016 I spoke to a representative working in the Trial and Appeal Board and I asked him if I can do a change of address and he told me, that I could not do a change of address; reference number 1-400206793. I would like to also say I google up. The so called founder of Go Daddy Bob Parsons. In which the time frame he claimed to have founded the company is the same time I was looking to protect my idea for individuals to start companies online, websites etc. 1996,1997-1998. I would like an investigation within the USPTO regarding the issue to prove that he was working for The United States Patent & Trademark Office at the time I was seeking how to protect my idea. I believe your employee records will show that he was an employee at the United States Patent and Trademark Office at the time he took my idea. I served the other party Nicole Murray Quarles and Brady LLP 300 N. Lasalle St. Suite 4000 Chicago, IL 60654 today.

Sincerely,

Kimberly Simmons
